

12u Phillipsburg Softball!

Looking to take your softball skills to the next level?! The 12u Outlaws team is coached by Phillipsburg Varsity coach Kristin Boyer, and is comprised of all girls who will eventually attend Phillipsburg High School.

Tryouts: Saturday, September 6th from 9:00am -10:30am on the Varsity field at the PAC site.

Sample Year:

Fall- Practice 2-3x per week.

Winter- Practice 2x per week in the Outlaws' indoor facility right in Phillipsburg

Spring- Practices and scrimmages (the girls are able to play rec if they choose to do so)

Summer- Approximately 3 tournaments. We will also enter into the Midstates league which plays 2 weeknights through all of June and July.

Don't worry if you play another sport! I am very understanding of unavailability due to other sports when softball is not in-season. I do my best to work around everyone's other practice schedules. If you are unsure if you can swing it, shoot me an email and we can discuss it!
